Go Dashing Through The Hills with IHC and give to our annual fundraiser from November 29 to December 16 to reach our goal of reaching kids for Jesus Christ through camping

Millions of kids attend camp annually. This crucial time in the 4-14 window (for kids ages 4 to 14) is what can shape their beliefs, desires, and personalities forever. The mission at Indian Hills Camp is to reach kids for Jesus Christ through camping. Whether through outdoor education programs--like 6th-grade camps--historical education programs--like Gold Rush Days--summer camps, weekend events, or anything in between, they provide an amazing place for kids to encounter God and develop a faith that lasts long after their time at camp has finished.

As a donor, you are providing for the future of camp for thousands of kids who attend every year, giving them a unique and impacting place to experience God. Visit our website or call to learn more.
